2021 Information Pertaining to the American Rescue Plan Act (ARPA)

On March 11, 2021, the President of the United States signed into law the American Rescue Plan Act (ARPA) that authorized a third round of stimulus payments and advanced payment of the Child Tax Credit. The IRS issued notices that provided the amounts you received for these payments. This information is necessary to accurately complete your 2021 individual tax return. Information provided below explains what notice you received and how to obtain the information if you no longer have the notice or have yet to receive a letter.

Stimulus Payment (Economic Impact Payment (EIP))

The third round of EIP or stimulus payments began mid-March 2021. Individuals could have received up to \$1,400 (\$2,800 for married couples filing a joint return). Qualifying dependents may have also received \$1,400. Unlike the first two payments, EIP3 was not limited to children under 17. Families may have received the payment based on all of the qualifying dependents claimed on the tax return. Most families received \$1,400 per person, meaning, a single person with no dependents may have received \$1,400 while a family of four may have received \$5,600. Notice 1444-C was sent following the payments and Letter 6475 will be issued in January 2022 with a combined total.

If you no longer have Notice 1444-C, or have not received Letter 6475, log in to your IRS Online Account to get the accurate amount of EIP3 received.

1. Go to irs.gov.
2. Select "View Your Account Information."
3. Select "Log in to your Online Account" and follow the prompts provided.

Advance Child Tax Credit Payments

Under ARPA, the maximum amount for the Child Tax Credit (CTC) was increased from \$2,000 to \$3,600 for each child 5 years old and under. For children ages 6 - 17, the maximum increased to \$3,000. In July 2021, eligible families that did not opt out began receiving advanced CTC payments up to \$300 per month for each child aged 5 and under and up to \$250 for each child between the age of 6 and 17. IRS will issue Letter 6419 to provide the amount received per taxpayer and how many children were taken into account to determine the amount received.

Subject: Preparation of 2021 Tax Returns

Thank you for choosing Robin LeBlanc CPA CGMA LLC to assist you with your 2021 taxes. This letter confirms the terms of our engagement with you and outlines the nature and extent of the services we will provide.

Engagement Objective and Scope

We will prepare your 2021 federal and state (if applicable) income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit. An Organizer is enclosed to help you collect the data required for your return. The Organizer will help you avoid overlooking important information. By using it, you will contribute to the efficient preparation of your returns and help minimize the cost of our services.

We will not prepare any tax returns except those identified above, without your written request, and our written consent to do so. We will prepare your tax returns based upon information and representations that you provide to us. We have not been engaged to and will not prepare financial statements. We will not audit or otherwise verify the data you submit to us, although we may ask you to clarify certain information.

We will prepare the above-referenced tax returns solely for filing with the Internal Revenue Service ("IRS") and applicable state and local tax authorities as identified above. Our work is not intended to benefit or influence any third party, either to obtain credit or for any other purpose.

You agree to indemnify and hold us harmless with respect to any and all claims arising from the use of the tax returns for any purpose other than filing with the IRS and state and local tax authorities regardless of the nature of the claim, including the negligence of any party.

Our engagement does not include any procedures designed to detect errors, fraud, or theft. Therefore, our engagement cannot be relied upon to disclose such matters. In addition, we are not responsible for identifying or communicating deficiencies in your internal controls. You are responsible for developing and implementing internal controls applicable to your operations.

This engagement is limited to the professional services outlined above.

CPA Firm Responsibilities

Unless otherwise noted, we will perform our services in accordance with the Statements on Standards for Tax Services ("SSTs") issued by the American Institute of Certified Public Accountants ("AICPA") and U.S. Treasury

Department Circular 230 ("Circular 230"). It is our duty to perform services with the same standard of care that a reasonable tax return preparer would exercise in **this** type of engagement. It is your responsibility to safeguard your assets and maintain accurate records pertaining to transactions. We will not hold your property in trust for you, or otherwise accept fiduciary duties in the performance of the engagement.

Bookkeeping assistance

We may deem it necessary to provide you with accounting and bookkeeping assistance solely for the purpose of preparing the tax returns. These services will be performed solely in accordance with the AICPA Code of Professional Conduct. We will request your approval in writing before rendering these services. Additional charges will apply for such services.

Confidentiality

If the tax returns prepared in connection with this engagement are filed using the married filing jointly filing status, both spouses are deemed to be clients of the firm under the terms of this Agreement. Both spouses acknowledge that there is no expectation of privacy from the other concerning our services in connection with this Agreement. We are at liberty to share with either of you, without prior consent of the other, documents and other information concerning the preparation of your tax returns.

Prior year review

Our review of the prior year's tax return will necessarily be limited and may not find all errors. We will, however, bring to your attention any errors that we find. If you ask us to prepare amended tax returns and address any other matters arising as a result of any error, we will confirm **this** representation in a separate engagement letter.

Estimated tax payments

You may be required to make quarterly estimated tax payments. We will calculate these payments for the 2022 tax year based upon the information you provide to prepare your 2021 tax returns (the "safe harbor" rule). Updating recommended payments to more closely reflect your actual current year's income is not within the scope of **this** engagement. If you would like us to provide **this** service, we will confirm **this** update in a separate engagement letter.

Tax planning services

Tax planning services are not within the scope of **this** engagement. During the course of preparing the tax returns identified above, we may bring to your attention potential tax savings strategies for you to consider as a possible means of reducing your taxes in subsequent tax years. However, we have no responsibility to do so, and will take no action with respect to such recommendations, as the responsibility for implementation remains with you, the taxpayer. If you ask us to provide tax planning services, we will confirm **this** representation in a separate engagement letter.

Government inquiries

This engagement does not include responding to inquiries by any governmental agency or tax authority. If your tax return is selected for examination or audit, you may request our assistance in responding to such an inquiry. If you ask us to represent you, we will confirm **this** representation in a separate engagement letter.

Third-party requests

We will not respond to any request from banks, mortgage brokers or others for verification of any information reported on these tax returns. We do not communicate with third parties or provide them with copies of tax returns.

Tax advice

Any advice we may provide is based upon tax reference materials, facts, assumptions, and representations that are subject to change. Tax reference materials include, but are not limited to, the Internal Revenue Code ("IRC"), tax regulations, Revenue Rulings, Revenue Procedures, private letter rulings and court decisions. We will not update our advice after the conclusion of the engagement for subsequent legislative or administrative changes or future judicial interpretations. To the extent we provide written advice concerning federal tax matters, we will follow the guidance contained in Circular 230, §10.37, Requirements for Written Advice.

Arguable positions

We will use our professional judgment to resolve questions in your favor where a tax law is unclear, provided there is sufficient support for doing so. If there are conflicting interpretations of the law, we will explain the possible positions that may be taken on your return. We will follow the position you request, provided it is consistent with our understanding of the Internal Revenue Code ("IRC"), tax regulations, Revenue Rulings, Revenue Procedures, private letter rulings and court decisions. If the IRS, state or local tax authorities later contest the position taken, additional tax, penalties and interest may be assessed. We assume no liability, and you hereby release us from any liability, including but not limited to, additional tax, penalties, interest, and related professional fees.

Client Responsibilities

You will provide us with all tax forms received, completed checklist, and other supporting data necessary to prepare your tax returns. You must provide us with accurate and complete information. Income from all sources, including those outside of the U.S., is required.

We rely upon the accuracy and completeness of both the information you provide and other supporting data you provide in rendering professional services to you.

Documentation

You are responsible for maintaining adequate documentation to substantiate the accuracy and completeness of your tax returns. You should retain all documents that provide evidence and support for reported income, credits, and deductions, and other information on your returns, as required under applicable tax laws and regulations. You are responsible for the adequacy of all information provided in such documents. You represent that you have such documentation and can produce it if necessary, to respond to any audit or inquiry by tax authorities. You agree to hold our firm harmless from any liability including but not limited to, additional tax, penalties, interest and professional fees resulting from the disallowance of tax deductions due to inadequate documentation.

Personal expenses

You are responsible for ensuring that personal expenses, if any, are segregated from business expenses and that expenses such as meals, travel vehicle use, gifts, and related expenses are supported by necessary records required by the IRS and other tax authorities. At your written request, we are available to provide you with written answers to your questions on the types of supporting records required.

State and local filing obligations

On June 21, 2018, the U.S. Supreme Court reversed the long-standing physical presence nexus standard in *South Dakota v. Wayfair, Inc. et. al.* This decision significantly changes the landscape of sales and use tax compliance, especially for online sellers. If you wish to understand the impact of the decision on your business, we will confirm this in a separate engagement letter. The scope of our services under this engagement letter does not include services related to your compliance with other tax obligations.

You are responsible for determining your tax filing obligations with any state or local tax authorities, including, but not limited to, income, franchise, sales, use, property or unclaimed property taxes. If upon review of the information you have provided to us, including information that comes to our attention, we believe that you may have additional filing obligations, we will notify you. You acknowledge that any additional filing obligations are not within the scope of this engagement. If you ask us to prepare these returns, we will confirm this representation in a separate engagement letter.

Virtual currency

The IRS considers virtual currency (e.g., Bitcoin) as property for U.S. federal income tax purposes. As such, any transactions in, or transactions that use, virtual currency are subject to the same general tax principles that apply to other property transactions.

If you had virtual currency activity during the tax year, you may be subject to tax consequences associated with such transactions and may have additional reporting obligations. You agree to provide us with complete and accurate information regarding any transactions in, or transactions that have used, virtual currency during the applicable tax year.

Other income, losses and expenses

If you realized income, loss or expense from a business or supplemental income or loss, the reporting requirements of federal and state income tax authorities apply to such income, loss or expense. You are responsible for complying with all applicable laws and regulations pertaining to such operations, including the classification of workers as employees or independent contractors and related payroll tax and withholding requirements.

Ultimate responsibility

You have final responsibility for the accuracy of your tax returns. We will provide you with a copy of your electronic tax returns and accompanying schedules and statements for review prior to filing with the IRS and state and local tax authorities, as applicable. You agree to review and examine them carefully for accuracy and completeness.

You will be required to verify and sign a completed Form 8879 *IRS e-file Signature Authorization for Form 1040*, and any similar state and local equivalent authorization form before your returns can be filed electronically. **We cannot transmit any return without the appropriate signed authorizations.**

In the event that you do not wish to have your tax returns filed electronically, please contact our firm. Additional procedures will apply. You will be responsible for reviewing the paper returns for accuracy, signing them, and filing them timely with the tax authorities.

Timing of the Engagement

Extensions of Time to File Tax Returns

The original filing due date for your 2021 tax returns is April 18, 2022 for federal. **Due to the high volume of tax returns prepared by our firm, the information needed to complete the tax returns must be received no later than March 21, so that the returns may be completed by the original filing due dates. Otherwise an extension may be necessary.**

It may become necessary to apply for an extension of the filing deadline if there are unresolved issues or delays in processing, or if we do not receive all of the necessary information from you on a timely basis. Applying for an extension of time to file may extend the time available for a government agency to undertake an audit of your return or may extend the statute of limitations to file a legal action. All taxes owed are due by the original filing due date. Additionally, extensions may affect your liability for penalties and interest or compliance with governmental or other deadlines.

To the extent you wish to engage our firm to apply for extensions of time to file tax returns on your behalf, you must notify us of this request in writing. Our firm will not file these applications unless we receive an executed copy of this Engagement Letter and your express written authorization to file for an extension. In some cases, your signature may be needed on such applications prior to filing. Failure to timely request an extension of time to file can result in penalties for failure to file tax returns, which accrue from the original due date of the returns and can be substantial. We are available to discuss this matter with you at your request. Additional charges will apply for such services.

Penalties and Interest Charges

Federal, state, and local tax authorities impose various penalties and interest charges for non-compliance with tax laws and regulations including failure to file or late filing of returns, and underpayment of taxes. You, as the taxpayer, remain responsible for the payment of all tax, penalties, and interest charges imposed by tax authorities.

We rely on the accuracy and completeness of the information you provide to us in connection with the preparation of your tax returns. Failure to disclose or inadequate disclosure of income or tax positions may result in the imposition of penalties and interest charges.

Professional Fees

Our professional fees for the services outlined above is based on the complexity of the work to be performed and

professional time as well as out-of-pocket expenses. In addition, **this** fee depends on the timely delivery, availability, quality, and completeness of the information you provide to us. You agree that you will deliver all records requested and respond to all inquiries made by our team to complete **this** engagement on a timely basis. You agree to pay all fees and expenses incurred whether or not we prepare the tax returns.

We require that all outstanding invoices be paid prior to releasing the completed tax returns. We do not release incomplete tax returns.

We will bill you for our professional services up delivery of our work product to you. All invoices are due and payable upon presentation. We reserve the right to suspend or terminate the work due to non-payment of fees. If the work is suspended or terminated, you agree that we will not be responsible for your failure to meet governmental and other deadlines, for any penalties or interest that may be assessed against you resulting from your failure to meet such deadlines, and for any other damages (including but not limited to consequential indirect, lost profits, or punitive damages) incurred by you as a result of the suspension or termination of our services.

You may terminate your engagement of services at any time. Should you do so, however, you remain liable for all unpaid fees as discussed above. We reserve the right to withdraw from **this** engagement at any time because of unpaid fees, the guidance of our Professional Standards, or for any other reason. We will notify you in advance of any decision by us to withdraw, and will take all responsible steps to assist in the orderly transfer of your tax services.

We appreciate the opportunity to be of service to you. If the foregoing is in accordance with your understanding of the arrangements for this work, please sign **this** letter in the space indicated and return it along with your tax information. Please note that we *cannot begin working on the preparation of your tax return without a properly signed engagement letter.*

If you have not selected to file your returns with our office, you will be solely responsible to file the returns with the appropriate taxing authorities. Review all tax-return documents carefully before signing them. Our engagement to prepare your 2021 tax returns will conclude with the delivery of the completed returns to you, or with e-filed returns, with your signature and our subsequent submittal of your tax return.
